DETAILED ACTION

1. Applicant's amendment and accompanying remarks filed December 18, 2007 are acknowledged.
2. Examiner acknowledges amended claim 1.
3. Examiner acknowledges cancelled claims 3 and 5.
4. Examiner acknowledges newly added claims 11-12.
5. The rejection of claims 1-2, 4, 6-7 and 9 under 35 U.S.C. 102(e) as being anticipated by Hosokawa et al., U.S. Patent Number 6,534,199 is overcome by applicant's amendment.

Claim Rejections - 35 USC § 112

6. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

7. Claims 1-2, 4 and 6-10 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 is rendered indefinite because compounds H1 to H-9 are not commensurate in scope with chemical formula (2) which defines the compounds. X is defined as being selected from the group consisting of anthracene and pyrene. However, compounds H-1 to H-9 have X being represented by naphthalene.
8. Claims 11-12 are allowed. The prior art does not provide for the recited electroluminescence device comprising a light emitting layer that contains a green luminescent material represented by chemical formula 1 and a host material represented by chemical formula 2 with the substituents on chemical formula 1 are listed in present claim 11.

Response to Arguments

9. Applicant's arguments with respect to the present claims have been considered but are moot in view of the new ground(s) of rejection.

10. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.

11. Any inquiry concerning this communication or earlier communication from the examiner should be directed to Camie S. Thompson whose telephone number is (571) 272-1530.
